FINANCIAL RESULTS

Pre-tax profit reported at RM160 million for PE2016

30 November 2016

CMS announced its financial performance for the first nine months of 2016 (PE2016) with a total revenue of RM1.10 billion (decreased by 14%) and pre-tax profit (PBT) of RM160.41 million (decreased by 40%). CMS' PBT for 3Q16 improved by 122% from RM42.76 million in 2Q16, to RM94.74 million.

In comparison to PE2015, CMS Cement Division recorded a PBT of RM76.98 million (14% lower) due lower sales volumes, costs linked to the new cement mill, unscheduled shutdown of the clinker plant due to prolonged maintenance work in January 2016 and higher costs both in imported raw materials and cement due to the still weaker Ringgit. In the

same period, CMS Construction Materials & Trading Division recorded a PBT of RM74.65 million (3% increase) and CMS Construction & Road Maintenance Division recorded a drop by 35% in PBT of RM57.61 million (excluding the share of results of joint ventures).

CMS also recorded losses of RM40.49 million in PE2016 from the share of results of its associates. This is largely due to the losses reported by its 25% associate, OM Materials (Sarawak) during 1H16. The results have since improved as CMS recorded a profit of RM8.42 million from the share of results of its associates during the 3Q16.

Each organisation were happy to receive RM12,000.00 each.

Our utmost appreciation to all runners for their participation, not forgetting our clients and business associates for their generous support and contribution.

Re-building Works for the Community

CMS also did various re-building work activities and community clean-up at schools, villages and places of worships, especially in the rural areas in Sarawak. Many schools have benefited from much improved road access and parking areas for the students, teachers and parents commuting daily to and from school.

We are proud that our road maintenance crew is always quick to respond whenever there is a road collapse, landslide or flooding anywhere in Sarawak.

Health Awareness

At CMS, we constantly promote healthy living amongst our employees through the Work-Life Balance Programme. Apart from promoting a safe work environment, CMS also encourages its employees to participate in charity runs such as the Colour Rush, Run for Cure, Kuching Run for Autism, Water is Life Awareness Run, The Spring's Live Active Run, The Silent Run, Run for the Braveheart and our very own CMS Tribal Run. Some employees have also taken up cycling, a new initiative this year

– they participated in the DBKU Fun Ride Bandarayaku, Earth Hour Night Ride, Sejiwa Senada Fun Ride, Epic Borneo's Ride Safe Drive, Green World Night Ride in aid of Chung Hua Middle School No.1, Wildlife Conservation Society Sarawak's Ride for The Wild, Kayuhan Hari Sarawak & Pra SUKMA, Boulevard Fun Ride and the Enviro Ride on National Environment Day.

Blood Donation Drives were held at our other Divisions as well, CMS Clinker and CMS Cement (Kuching & Bintulu). This is to encourage employees to donate blood - many of our regular CMS donors, who work on shifts would go to the nearby government and private hospitals to donate blood.

If you are healthy and fit in the clinical criteria, please come to our 2017 CMS Blood Donation Drive which will be held on **4 March 2017** and **23 September 2017** from **9.00am – 1.00pm** at **Wisma Mahmud, Kuching**.

Sustainable Projects

The year 2016 marked the launch of our CMS Sustainability Programme 'CMS Goes Green' with the planting of trees at The Isthmus, Kuching led by CMS Group Managing Director, Dato' Richard Curtis. To promote 'CMS Goes Green', CMS employees together with other Government departments and private sectors, also planted trees at the Sarawak Botanical Garden, Petra Jaya in conjunction with National Landscape Day.

For the first time, CMS collaborated with Forest Department of Sarawak to plant 600 mangrove seedlings at RAMSAR Site, Kuching Wetlands National Park. The site was unfortunately sacrificed when the riverbed was deepened to mitigate flood from the city.

At CMS, we carry out recycling campaigns regularly - each Division organises its own recycling campaign and the money raised goes to welfare funds and charitable organisations in Sarawak.

Thank you all for your support – may we all do better in 2017.

Join Us on Our Journey to Promote
Green Living for Future Generations

CMS conveys
condolences
to the family of
**former Sarawak
Chief Minister**

YAB Datuk Patinggi Tan Sri Adenan Satem

All of us at Cahya Mata Sarawak are deeply grieved by the sad passing of our beloved Chief Minister and our deepest condolences go out to his family. His vision for Sarawak as our Chief Minister has transformed our socio-economic landscape dramatically. It has led Sarawak into a new era of positive and inclusive development with a strong focus on trying to address the people's needs and concerns. This has led to his vision and style of leadership to be seen by many as a role model to look up to. His incisive mind, his sense of humour as well as his much loved voice will be sorely missed. I am sure however, that his vision and his achievements to date will not be discarded but prove to be a rock-solid foundation that will continue to drive our future development in which we, at CMS, will be proud to respectfully continue to support.
